

THE OKLAHOMA ANGUS GATHERING SALE

The Oklahoma Angus Association would like to invite you to participate in the 27th Annual Oklahoma Angus Gathering. The Gathering Sale will again be held on **Labor Day Weekend: September 5, 2026 at the same location as the past several years just east of Perkins, OK on Highway 33 at the Carroll Cattle Company Sale Facility (formerly Sadler Ranches).**

Please make sure you have your genomic testing and genetic conditions tests completed so your cattle are prepared to consign. Angus GS test from GeneSeek and the Zoetis 150K test are the same price and both complete EPD profiles and verify parentage, so it does not matter which one you choose, just be sure to select the test that need to be done for any potential genetic conditions (if any apply). Potential conditions can be identified by looking at the electronic version of the animals registration at www.angus.org and looking below their name. A "P" following the genetic conditions abbreviation indicates the animal is a potential carrier for that condition and needs to be tested, an "F" indicates the animal is tested free, "C" indicates that the said animal is tested a carrier, i.e:

EXAMPLE ANIMAL Reg: AAA 12345678 Cow

[DDP-AMF-CAF-M1F-NHF-OHF-OSC] [Click here for info](#) (If this line is not present then no genetic conditions exist)

A tentative schedule is as follows:

Thursday September 3, 2026

10 a.m. - Start receiving cattle at the Carroll Cattle Company (formerly Sadler Ranch) sale facility.

Friday September 4, 2026

12:00 Noon – Cattle in place at the Carroll Cattle Company (formerly Sadler Ranch) sale facility.

1:00 p.m. until 5:00 – Cattle available for preview at the Carroll Cattle Company (formerly Sadler Ranch) sale facility.

Saturday September 5, 2026

9 a.m. – Sale cattle on display at the Carroll Cattle Company (formerly Sadler Ranch) sale facility.

11 a.m. – Lunch – Carroll Cattle Company (formerly Sadler Ranch) sale facility.

Noon – Oklahoma Angus Gathering Sale

Matt Sims, Matt C. Sims Auction, Inc. will represent the association as the sale manager and auctioneer. It is our goal to continue to improve one of the nation's best state association sponsored sales by assembling a very high-quality consignment that represents Oklahoma Angus. The consignments can consist of cow-calf pairs, bred heifers, bred cows, open heifers, embryos, pregnancies, or a flush. Bull calves on the side of the cow are eligible, but single lot bulls are not. Groups of five or more commercial females are eligible for consignment as well. The sale expense on commercial females will be 7%.

Matt will be inspecting the sale cattle as soon as we start receiving entries. Nominations need to be returned to Matt by **July 1, 2026**. Nominated sale cattle need to be clipped and ready for inspection no later than **July 15, 2026**. **All cows and bred heifers should be slick-sheared (this does not mean torched)**. Calves and open heifers should be clipped in an appropriate manner (Spring calves can be slick sheared, but please do not slick shear the August calves; clip head, brisket, tail, etc.). **If you need assistance with clipping your cattle let me know and I will try my best to get you in touch with someone who can do it.**

Photos will be taken at the time of inspection provided the cattle are ready to picture and a suitable facility is available. Quality, age, pedigree, and body condition will determine eligibility for consignment. A body condition score of six or better should to be maintained until the time of sale. The sale manager reserves the right to screen consignments based on this criteria up to sale day. **The deadline for sale cattle entries is July 1, 2026.** Everyone is welcome to participate as long as you are a member in good standing of the Oklahoma Angus Association at the time of the event. Jaryn Buseman, OAA Membership Secretary can accept dues on the day of The Gathering or you can visit www.oklahomaangus.com for the membership application.

Sale Expense will be calculated on a pro-rated basis of the fixed costs plus 7%. Depending on the final number of lots and the gross, sale expense is estimated to be between 13% and 16% (Past Sale Expense: 2020: 14.5625%, 2021: 14.3659%, 2022: 15.6336%, 2023: 14.4542%, 2024: 14.8737%, 2025: 12.9090%). **A \$50.00 per lot nomination fee is required at the time of entry.**

Please make the check payable to Matt C. Sims Auction, Inc. Escrow and return along with your entries to the address below.

This fee will be applied toward the sale expense.

Detailed information such as the sale facility GPS address and hotels will be provided to the consignors once entries are received. If you would like assistance in choosing your consignment or have any other questions concerning the sale, please contact:

Matt Sims, Matt C. Sims Auction, Inc.

PO Box 1219, Edmond, OK 73083
